Last Year's Winner...

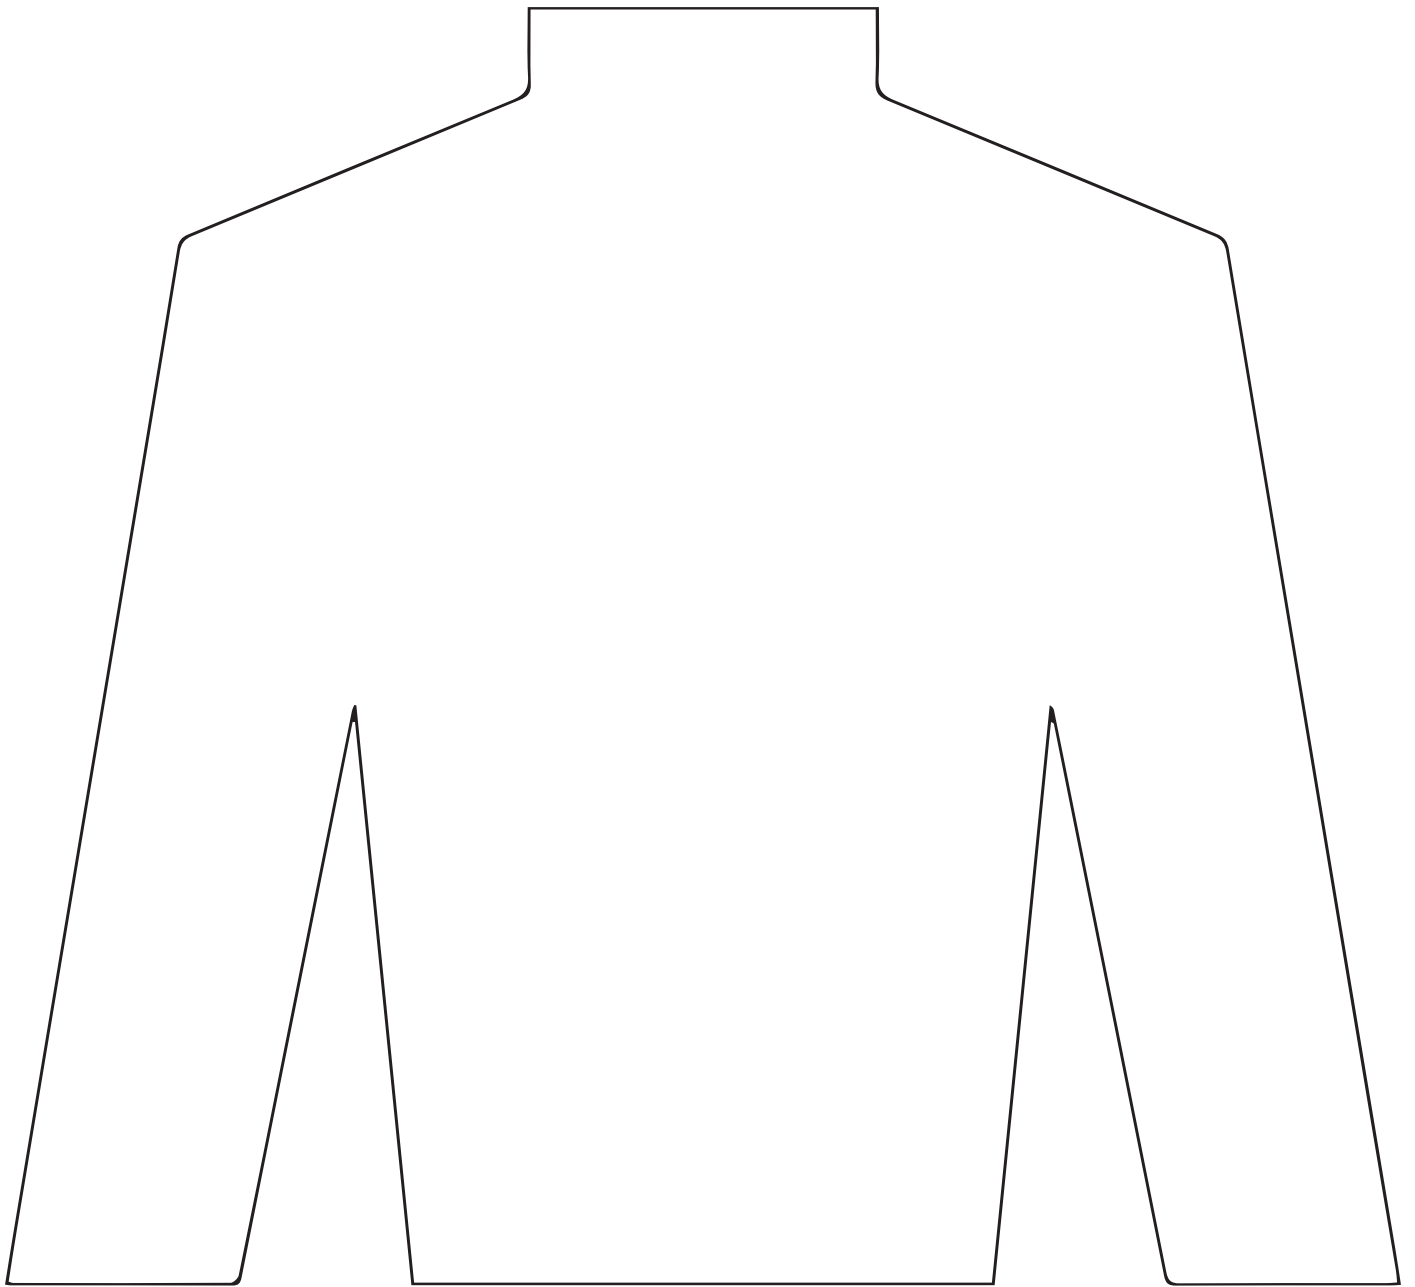

Last year, we launched a competition with a festive twist, inviting entrants to design their very own Christmas-inspired jockey silk. The response was nothing short of magical, with creative designs from all ages filling our inbox.

The standout winner was **Millie, aged 11**, with her elf-themed silk. Millie's design captured the spirit of Christmas with its playful patterns and vibrant colors along with the essence of a traditional jockey silk style, earning her the top spot in a fiercely creative field.

As part of her prize, Millie was presented with a real-life jockey silk crafted from her delightful design during Good Friday 2024. It was a moment of pure holiday magic, celebrating her creativity and bringing her vision to life.

We're so proud of all our participants and can't wait to see what this year's competition brings!
