WELCOME

We are looking forward to another exciting year of high quality racing here at Chelmsford City Racecourse and are delighted to confirm that we have secured a minimum of fifty-nine fixtures in 2020.

This makes us one of the busiest racecourses of all 59 tracks in Great Britain, and that's not counting the additional dates that we pick up throughout the year. Our dates include twenty-eight Thursday nights, six Friday nights, nine Saturday nights, six Saturday afternoons, the May Bank Holiday and for the very first time, Good Friday! In short, it's another big step forward in building a really customer-friendly fixture list as we continue to grow our events calendar as well. We will once again be staging a variety of fantastic concerts on racedays and non-racedays alike this year and our themed racedays days will include two Family Fun Days, a Gentlemen's Day and of course our hugely popular centrepiece of the year, Ladies Day on 18th June.

We remain committed to providing really good prizemoney throughout 2020 as this ensures we regularly attract the very best trainers and jockeys, resulting in top class competitive racing. Highlights will again feature our two Listed races, the £55,000 Chelmer Stakes, the £75,000 Queen Charlotte Stakes and the £60,000 Cardinal Stakes for horses aiming to compete in the iconic Kentucky Derby as well as the most valuable British evening race ever, the £100,000 Chelmsford City Cup.

All the ingredients are in place for a vintage 2020 and we hope you'll be part of it by joining us for another season of fabulous racing and events at Chelmsford City Racecourse.

BRINGING RACING BACK TO ESSEX

Chelmsford City Racecourse is the UK's newest racecourse and the home of horseracing in Essex, but it's so much more than that.

Chelmsford City Racecourse opened its doors in 2015 and since then has gone on to become one of the busiest racecourses in the UK, thanks to its highly acclaimed All Weather Polytrack surface that will play host to a massive 59 fixtures in 2020 including two Listed races, as well as The Chelmsford City Cup. By providing some of the highest prize-money in British racing, the racecourse routinely attracts some of the most successful and prominent trainers and jockeys in the world with horses running at Chelmsford City going on to win at Royal Ascot, Glorious Goodwood and many other major international racing festivals. Positioned in the heart of the Essex countryside, yet only a short 50 miles from central London, the racecourse serves as a premier destination for a variety of raceday events, such as the multi award-nominated Ladies Day which has seen world famous acts Billy Ocean, Boyzone and Blue perform. Concerts are a recurring feature at Chelmsford City as we have also seen icons including Simply Red, Madness, UB40

and even Rick Astley all play at the racecourse live. In 2019 we co-hosted our first music festival in partnership with the legendary Clockwork Orange, to create 'Clockstock'. This sell-out music festival saw 60 of dance music's most iconic DJs and acts including Erick Morillo, Roger Sanchez, and Todd Terry come to the racecourse and deliver undoubtedly the biggest party in Essex.

A 250,000-square foot grandstand is home to two premium restaurants, The Fairwood and The Club Restaurant and Lounge, as well as the extensive Sports Bar and Grill Kitchen. All of the hospitality areas serve as perfect spots to watch the field flying down the home straight towards the finish line under our signature champagne fluted floodlights.

There's always something happening at Chelmsford City Racecourse and we're thrilled to invite you to join us for another fantastic year of racing and so much more.

MAJOR RACES

The European Road to the Kentucky Derby 2ND APRIL

The second running of the Cardinal Stakes at Chelmsford City Racecourse and the finale of the European Road to the Kentucky Derby.

The Kentucky Derby at Churchill Downs is one of the most prestigious races in international racing, where only the best of the best possess the opportunity to be immortalised in the history books as an American Classic winner.

In order for a horse from Europe or Japan to receive an invitation to this most glorious of races, they first must accumulate enough points across a highly competitive string of races in the UK, Ireland and France. Chelmsford City Racecourse forms the seventh and final opportunity of the series with an impressive £60,000 in prize money for the taking, as well as seeing them on their way to Louisville in May for the 146th edition of the American race.

Last year's inaugural contest saw multiple entries from Aidan O'Brien's formidable Ballydoyle stable, Godolphin as well as King Power's winning Bye Bye Hong Kong battle it out for victory and 2020 promises the same level of excitement.

The Chelmer Stakes 30TH APRIL

An evening of thrilling racing featuring The Chelmer Stakes, a highly competitive sprint over six furlongs worth an impressive £55,000 in prize money. In 2019, Champion Jockey, Oisin Murphy, narrowly defeated Ryan Moore and Mark Johnston's Chapelli by a nose at a huge 28/1 price aboard Isaan Queen for Lambourn-based trainer, Archie Watson. Expect bold challenges from racing's finest in a bid to claim this Listed Race and the rewards that come with it.

The Queen Charlotte Stakes 3RD JULY

It's the third running of The Queen Charlotte Stakes, Chelmsford City Racecourse's most prestigious race and second most valuable worth a whopping £75,000 in prize money. The seven furlong contest will see a host of challengers eager to pick up a win in this exciting June fixture.

After a competitive field fought to pick up this Listed Race, it was Richard Hannon's 1000 Guineas winner, Billesdon Brook, who worked his way up the field to take the prize, with the

aid of Chelmsford City Cup's winning jockey, Sean Levey seated. This marked the uptick of the beginning of a sensational campaign for the mare, who would go on to win the Oak Tree Stakes at Goodwood and the Group 1 Sun Chariot Stakes at Newmarket before venturing to California's Santa Anita Park to compete in the Breeders Cup.

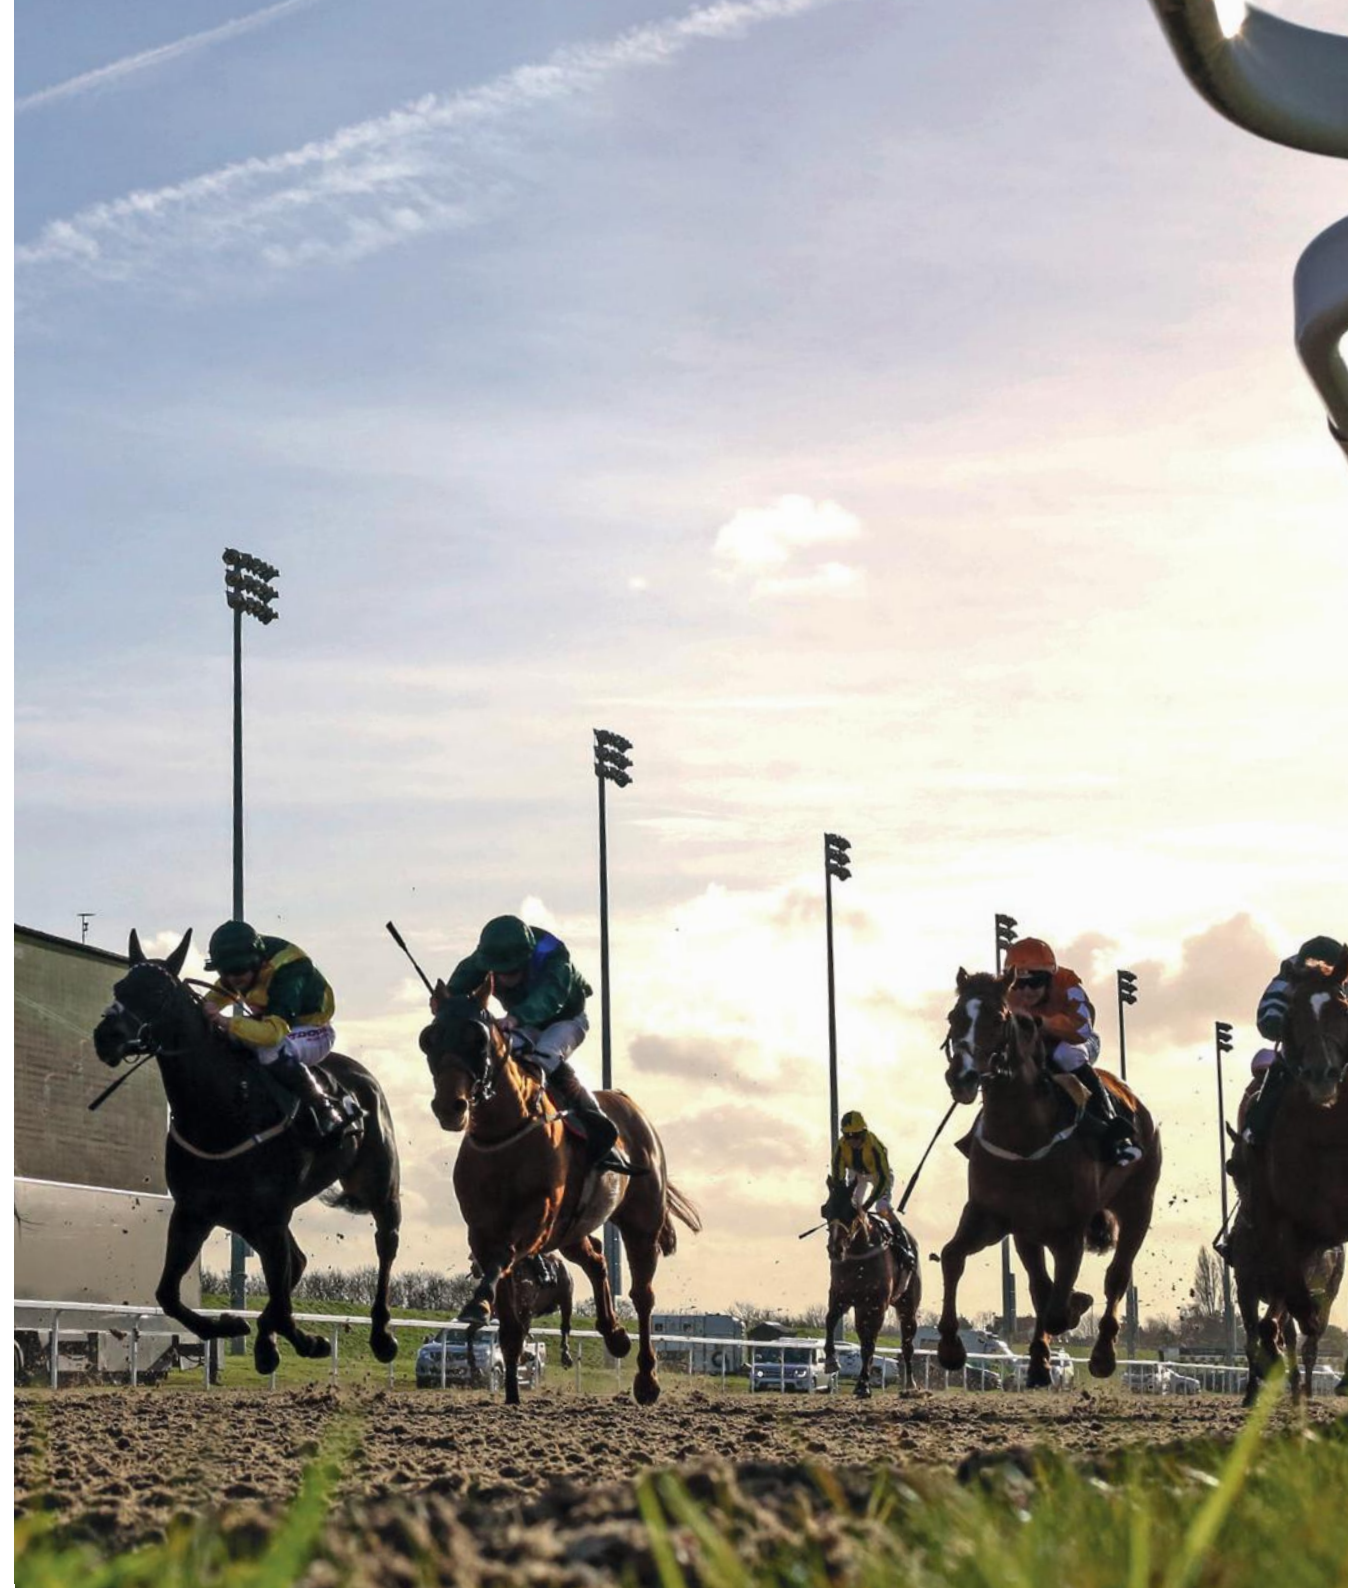

The Chelmsford City Cup 22ND AUGUST

Chelmsford City Racecourse's most valuable race in the calendar, The Chelmsford City Cup, is worth a staggering £100,000 and the UK's richest evening race and meeting.

It will come as no surprise that 2019 saw a sensational line up of racing's stars go in pursuit of this generous prize. While there were plenty of immediate threats to choose from, it was in fact Richard Hannon's War Glory who narrowly crossed the winning line first at a huge 25/1 price with Queen Charlotte Stakes winner, Sean Levey on board.

Extraordinarily, second and third place were priced at 25/1 and 33/1 respectively, proving that when the stakes are as high as winning The Chelmsford City Cup, you give it your all or go home!

COMMUNITY ENGAGEMENT

Our Impact

Chelmsford City Racecourse plays an active role within both the racing and local community. With upwards of 59 racedays per year, we provide regular opportunities for owners and trainers to race their horses all year round. We also continue to build links with the local community by staging local events and activities throughout the year.

Chelmsford City Racecourse is one of a total of 59 racecourses in the UK and is an active member of the racing community. We work closely with the British Horseracing Authority to help promote quality racing and attract new audiences. We actively support the British Horseracing Education and Standards Trust (BHEST) which helps introduce racing to schools through tailored activity days and educational support packs.

Charities

Chelmsford City Racecourse is proud to support selected local charities and activities each year; in addition to these, throughout the year, local charities, community groups and businesses benefit each year either through monetary contributions or through complimentary tickets for use as raffle and auction prizes. In 2019 alone, 252 tickets to were donated to 116 individual charities, in addition to this, £19,550 was raised from two Family Fun Days as well as annual collections for the Royal British Legion's Poppy Appeal.

Donations to 156 charity events have included; Beneficiaries have included: Royal British Legion Poppy Appeal, Tickets for Troops, the Women's Institute, Sanctus Homeless Shelter, Macmillan Cancer Care, The J's Hospice, Havens Hospices and the Injured Jockeys Fund among others.

Chelmsford City Racecourse is also engaged

with the British Horseracing Authority-led Racing Together initiative, which seeks to give something back to the communities in which they operate around the country. From racecourses alone in 2019, 222 staff volunteered for a total of 1,632 hours, with £542,000 donated or fundraised for more than 117 individual charities.

Previously the racecourse has been involved in Give and Gain Day, the global day of employee volunteering organised by Business in the Community (BITC). Thousands of people from hundreds of companies took part in the volunteering day as the UK's only nationally organised day of volunteering.

Racing's contribution to the day has been coordinated by Racing Together; the community engagement strategy for the sport. Chelmsford City Racecourse are proud to support Give and Gain Day and a team from the racecourse has volunteered on several occasions since the opening, assisting charities including Sanctus Chelmsford, Haven's Hospice and Broomfield Hospital as well as a local parish church.

Fraser Garrity, Racecourse Manager at Chelmsford City, said:

"It's a fantastic opportunity for us to put something back into our community. We understand the importance of community engagement and are huge supporters of the Racing Together initiative."

For further information on our charitable activities or to request an application to be considered for support, please contact the racecourse.

Chelmsford City Racecourse's 2019 initiative Year of the Hero returns for a second year in 2020, this time with the support of regional magazine, Essex Life. The community engagement project aims to recognise outstanding members of the community who give tirelessly to help and care for others in their daily lives.

These "heroes" are people within our local area who may not necessarily gain the deserved recognition for their kindness and generosity. The Year of the Hero winner is invited to the racecourse to enjoy a meal in our Fairwood Restaurant for four people, have a race named in their honour, choose the best turned out horse in that race and present the prize to the winning connections. The raceday presenter will be on hand to interview the winner and to extend thanks, on behalf of the racecourse as well as the community, for their actions.

Schools & Education

Chelmsford City Racecourse welcomes children to every race meeting, especially our dedicated Family Fun Days, which support a number of local schools with their fundraising activities throughout the year with donations of complimentary tickets as raffle and auction prizes throughout the year.

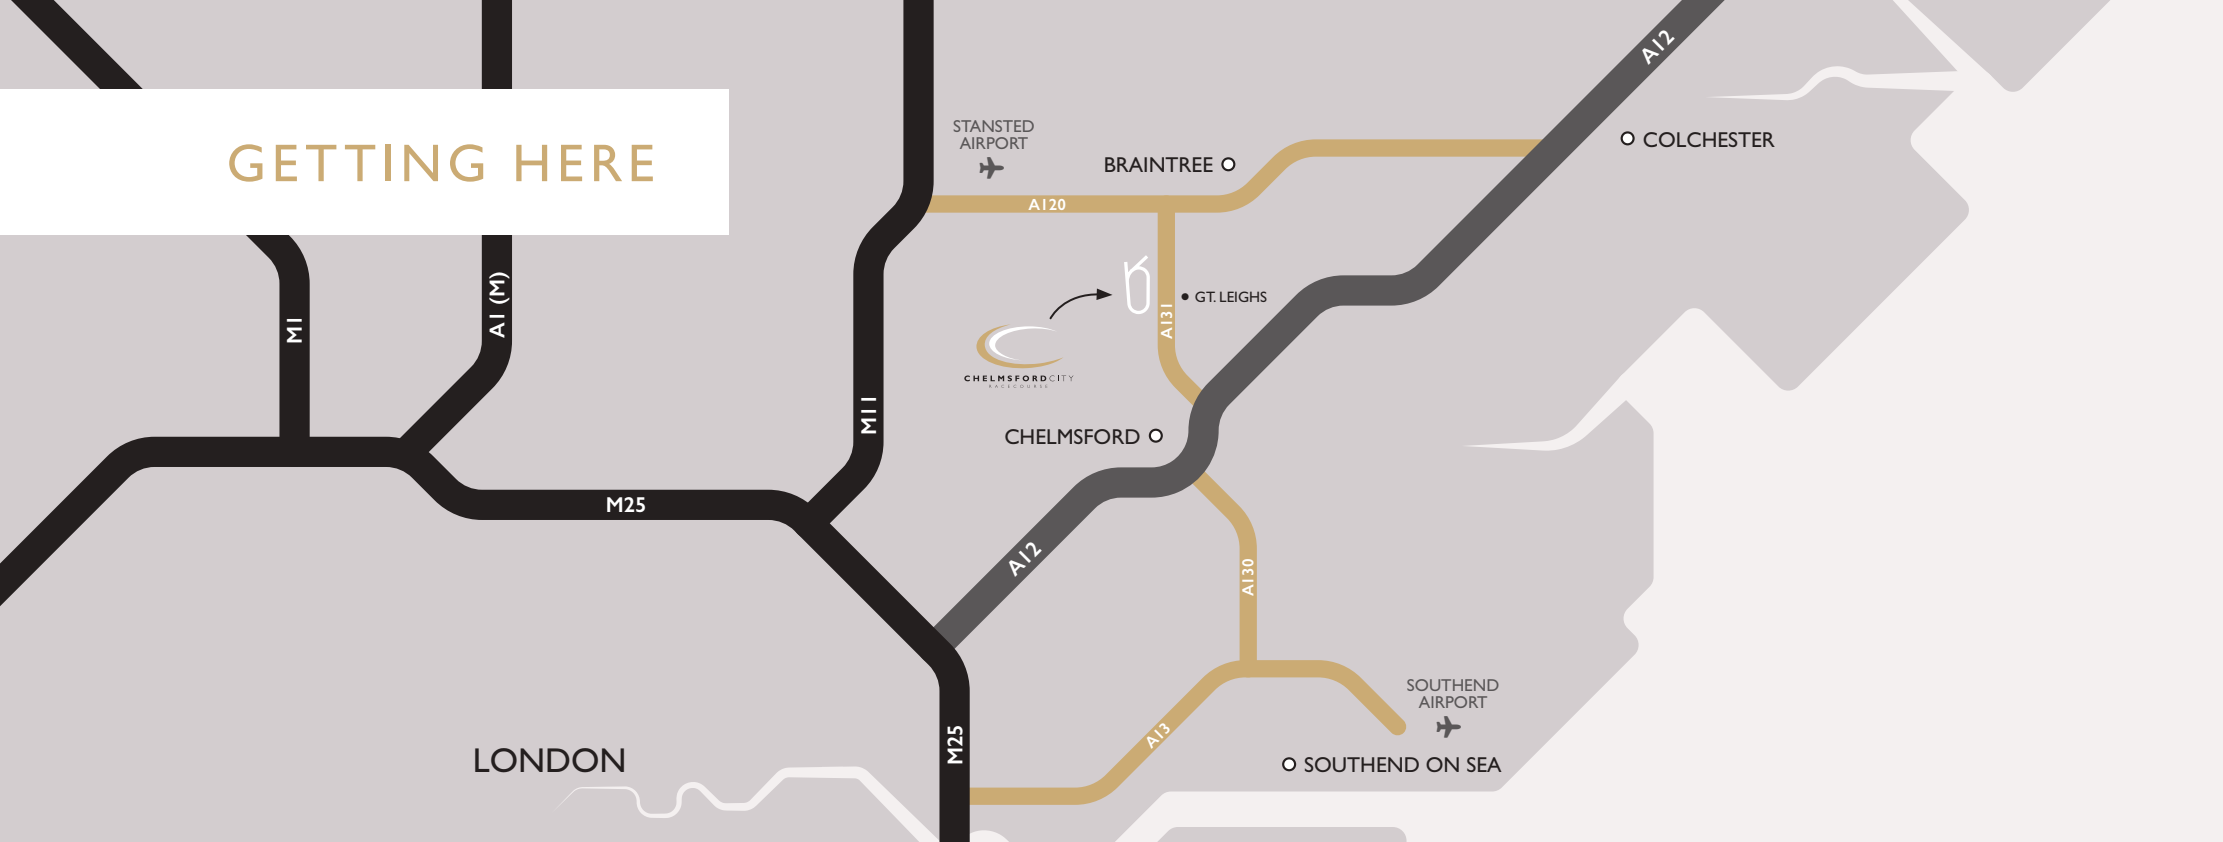

The British Horseracing Education and Standards Trust (BHEST) is a charity which supports young people's learning and development with the aim of encouraging an interest in horseracing as both a leisure activity and as a future career path.

"Racing to School" is BHEST's flagship education programme, providing out of the classroom learning opportunities at racecourses, studs and training yards across the country, for over 10,000 young people every year. Many local schoolchildren benefit from access to this programme at Chelmsford City Racecourse every year.

Through the many courses provided by the British Racing School based in Newmarket, we have also been delighted to provide their delegates with a raceday experience to enhance their understanding of the sport.

Since opening, the racecourse has welcomed many local groups including Brownies and Scouts, who have thoroughly enjoyed their visits. These have included access to behind the scenes, being taken down to the start and even meeting some of the sport's most prominent jockeys!
